

October 24, 2025: On DJ Trump Insisting on Intruding into Our Home

Today, as we continue to live our life and go about our daily business,

Donald Trump's team presses forward in its mission to invade our home with acoustic bombardment at all times a constant reaction to everything that we say and do.

Please world, understand that you have engaged yourselves with the worst of losers when you hitched your wagon to 'Murica and Team Donald Dump.

Donald Trump: Go buy another mail order bride or something! Entertain yourself with something else beside abusing our humble home - you kkk-k clown-faced, bitch.
